I certify that I am the property owner.

I understand that rental properties are required to register each year and to be inspected prior to a tenant change (before the tenant moves in). The annual \$50 registration fee is due each year by January 31st. A \$40 inspection fee will only be due prior to an inspection upon a change of tenant and any items noted as failed on the inspection checklist at the time of the inspection must be repaired and re-inspected. I understand that failing to comply with the Rental Registration and Inspection Program could result in fines and possibly issuance of citations.
